## EXHIBITION REPORT

Iris Photography Foundation is overwhelmed by the response to its very first International Salon 2021. A total of 5246 entries from 363 contestants from 52 different countries around the world – we hardly could have asked for more. Organised under the patronage of the Federation Internationale De L'Art Photographique (FIAP/2021/017), the Global Photographic Union (GPU L210051) and the Federation of Indian Photography (2020/FIP/131/2021), the Foundation is excited by the possibilities that the future might hold.

This year, the salon had four categories under which participants could submit their entries – Open Monochrome, Open Colour, Nature and Photo Travel.

We received 1407 photographs in Open Monochrome, 1428 photographs in Open Colour, 1136 photographs in Nature and 1275 photographs in Photo Travel. We would like to thank each and every participant whose spontaneous participation made this event a success.

Our honourable jury members did an awesome job and selected 328 photographs in Open Monochrome, 324 photographs in Open Colour, 253 photographs in Nature and 307 photographs in Photo Travel. A big congratulations to all the winners.

There were 120 awards in total including one FIAP Gold Medal, one GPU Gold Medal, one FIP Gold Medal, one Iris Gold Medal, one Iris Silver Medal, one Iris Bronze Medal, two FIAP Honour Mention Ribbons, two GPU Ribbons, five FIP Ribbons, six Iris Honour Mention Ribbons, three Judge's Choice Ribbons and one Chairman's Choice Ribbon for each category. Also, there were eight Iris Trophies for the Best Author, 2nd Best Author, Best Female Author, Best Senior Citizen Author, Best Youth Author and three Best Clubs. The list of awards also included one Iris Medal each for Best Action, Best Candid, Best Creative, Best Festival, Best Figure Study, Best Human Interest, Best Landscape, Best Photo Journalism, Best Portrait, Best Sports, Best Still Life and Best Street.

We are thankful to the Federation Internationale De L'Art Photographique, the Global Photographic Union and the Federation of Indian Photography for allowing us to organise the Iris 1st International Salon 2021. Iris Photography Foundation expresses sincere gratitude to our honourable jury members for their support and help. We are grateful to our webmaster Mr. Avik Shee for his kind support.

A special mention must be made of Smt. Archana Basak, Mr. Bijesh Ghosh, Mr. Biresh Majumdar, Mr. Jayanta Kumar Sarkar, Smt. Moumita Basak, Mr. Sandip Manna, Mr. Sanjay Ghosh and Mr. Suparno Saha.

We organised a few different workshops on Portrait, Still Life and Figure Study, which were mentored by Mr. Saurav Sarkar. Mr. Biresh Majumdar was the mentor of another workshop on Product photography. We wish to organise photography workshops and tours in the near future. A special thanks to all participants for their enthusiastic participation and support. We look forward to your wholehearted support in the coming years as well.

**Although we had booked an exhibition hall at the end of July 2021 for hosting the award ceremony and the exhibition of the selected photographs, we had to abandon the plan and preparations due to the ongoing pandemic. It is for the same reason that we are unable to organise our Annual Exhibition of Members too. Looking at the present scenario, we have postponed a few of our planned workshops. We intend to organise e-workshops through webinars.**

**Despite declaring our salon results in March 2021, there have been delays in mailing the awards due to unforeseen circumstances and challenges posed by the pandemic. In several cases, the postal departments are not fully functional yet. We will mail the awards as soon as postal services resume in these particular countries. We apologise for the inconvenience.**

We hope to organise our next international salon in 2022 and look forward to the enthusiastic participation of all photography aficionados from all across the world. Until then, keep clicking!

Thank you.
